All American Grappling Academy is a locally based, 501(c)(3) nonprofit wrestling organization. The organization was established in 2010 with the goal of educating and training youth between the ages of 4 and 14 in the sport of wrestling. We have also expanded our training to include high school wrestlers as well.

Our goal as an organization goes beyond training. We are dedicated to teaching the value of teamwork, hard work, and mental toughness in an environment that breeds successful wrestlers and where success is not defined only by “winning” but with respect, effort and self-discipline. We stress the value of character and that character is defined by our actions and not by our words.

As with any business, there are costs associated with running the organization. Some of our major expenses are facility usage, maintenance, and insurance, not to mention the replacement of wrestling mats and other necessary equipment. We are looking for the support of local business and individuals, such as yourself, to meet the financial needs of the organization. As a long-standing and respected member of the community, we ask that you consider our sponsorship program. We are proposing the following levels of participation:

Basic Sponsor \$100

- Business name listed on web-site.

Premium Sponsor \$250

- Business name on practice T's (if submitted before December 1st)
- Business name listed on web-site.

Emerald Sponsor \$500

We will support the businesses that support us. We are not simply looking for a handout, but are hoping to form a partnership that we can promote within the community and surrounding areas. We do hope that you will consider helping these youth athletes that are dedicated to advancing their skills in the sport of wrestling. If you have any questions or would like to further discuss your sponsorship options please contact Lori Miller at 586-484-7334.

Thank you for your consideration,

The Board of Directors of All American Grappling Academy and all of its' members.
